Dear Roadrunner Family,

This school year, while the COVID-19 pandemic has not yet subsided, we've been able to return to in-person learning for all of our students, rather than online or hybrid learning. This reminded us just how important it is to learn in an environment with clear communication and in collaboration with others in the real world!

Knowing what a challenge 2020-2021 was, we set our theme for 2021-2022 to be **Rise and Shine.**

We wanted to:

- ***Rise*** up to meet the challenges ahead.
- ***Rise*** up to high expectations for our students and staff.
- Help our students and staff to find what makes them ***shine.***
- Sometimes instead of searching for that light, you have to become the ***shining*** light for someone else.

We continued to show how resilient we are as a community as we continue to deal with COVID-19 but provide educational and extracurricular opportunities to help our students learn and grow. Here are just a few accomplishments:

- House system events every month
- New and fun collaboration opportunities amongst students and teachers
- Grants and donations received to continue our amazing work
- ASL Zone posters and message implemented
- Tutoring was implemented again
- Chess club initiated

I was and continue to be honored to take on the role of principal this year and believe we've done everything we set out to accomplish. I look forward to the next school year!

Amber Akapnitis
Principal

Graduating Class of 2022 of the Phoenix Day School for the Deaf:

Please accept Dr. Kristen Rex's and my congratulations on your graduation! Your persistence and hard work – even with the unique challenges of the COVID-19 pandemic over the past two long years – has paid off and brought you to this memorable moment in your life!

As you complete your courses, turn in your last test, and walk across the stage to get your diploma, remember that life holds many opportunities for those of you who dare to dream. Take full advantage of your skills, whether it is furthering your education or getting your first full-time job. In addition, dare to be a leader with your family, in school, on the job, and in the community.

As you prepare for graduation, do not forget the teachers and staff at PDSD who have worked hard to give you the best education possible in order to help prepare you for the future. Take the time to say "thank you" to them.

Be proud Roadrunners! You control your future; make it exciting and purposeful!

Again, congratulations!

Sincerely,

Annette Reichman
